

Digital Map Products to Host Reception & Informational Presentation at Inman News' Real Estate Connect Conference

(Irvine, CA – July 21, 2011) Digital Map Products is excited to announce its participation at Inman News' upcoming Real Estate Connect Conference in San Francisco, CA. Influential leaders gather at Real Estate Connect to discover emerging trends and technology, to network and make deals, and to learn how to leverage the change that surrounds the real estate industry. The conference will take place July 27th-29th.

Digital Map Products, a leading innovator of cloud-based mapping solutions for real estate, government and consumer markets, will host a complimentary cocktail reception and informational mapping presentation the evening of Thursday, July 28th. Attendees will hear from their peers about how they've succeeded with location technologies, discover the secrets of successful real estate mapping, learn the top mapping faux pas to avoid, see some hot new features in action, and gain valuable tips on how to do more with mapping. To learn more and register for this event click here:
